Final Note by the Second Member of Council

Subject:—

Handing over of the stone Mantap behind the temple of Sri Srikanteswara Swami at Nanjangud, to Mr. Srikanta Sastry, Agent of the Sri Sringeri Mutt, in his capacity as Secretary of the Arya mathojjivini Sabha, for purposes of the Sabha and for locating a Veda Patasala.

There is a stone Mantap behind the Sri Srikanteswaraswami temple at Nanjangud, which is in a state of disrepair. The Dharmadarsis of the temple have unanimously resolved at a meeting that as the Mantap was a source of great nuisance to the adjoining - Government annachattram on the one side and dwelling houses on the other, it may be handed over to the Aryamathojjivini Sabha on the following conditions:-

(1) That it should be repaired substantially;

(2) that it should be used for locating a Veda Patasala;

(3) that it must be liable to be taken back by Government without any compensation at any time when the object of the grant fails.

A draft mutchalika has been executed by Mr. N. Srikanta Sastry binding himself as Secretary of the Sabha, to the above conditions

In view of the difficulty of providing for the repair of the Mantap from the meagre resources of the temple and the useful purpose for which the building is proposed to be put, the Muzrai Commissioner recommends the handing over of the Mantap for the use of the Sabha subject to the conditions specified above and I agree with him.

The proposal may be graciously approved.

"With reference to late Muzrai Superintendet's letter No.2121/8 dated 2nd November 1921 forwarding for opinion petition from Mr. N. Srikanta Sastry and other promotors of the Aryamathojjivini Sabha, --- Nanjangud, praying that the stone mantap behind the Temple may be given to them for locating the Veda Pathasal etc., I have the honor to state that on enquiry, it is ascertained that the mantap in question which belongs to the Sri Srikanteswaraswamy temple is in a most neglected condition and not properly taken care of, nor used for any purpose now. The Sub Division-Officer therefore suggested the advisability of handing over the building to the Sabha as prayed for under specific conditions

(1) that it should be repaired within two years in a substantial manner at an estimated cost of Rs.2160/-

(2) that it should be used for the purpose of holding a regular -- Veda Pathasala class and

(3) that Government reserve the right to resume the mantap without payment of any compensation, if the object for which the --- building is given, fails at any time.

The Sub-Division officer was asked to ascertain, if the Sabha agrees to the above conditions and if so, to obtain and submit, a muchalika from them embodying the above conditions. Mr. N. Srikanta Sastry, Agent of the Sri Sringeri Matt has on behalf of the Sabha executed a draft mutchalika abiding by the conditions specified above and it is enclosed to the file (flag A) The Temple Dharmadarsis are quite agreeable to the above proposal.

I have recommended therefore the grant of the petitioner's request. The Mantap cannot be put to better use and the surroundings of the Temple would be thereby improved.

The entire file of the connected vernacular records is enclosed for reference."
